MEMORANDUM FOR: Deputy Director for Administration  
FROM: Director of Central Intelligence  
SUBJECT: Appreciation

I'd like to express my thanks to the many members of your organization and various contractor, GSA and other personnel who provided the Agency such fine support during "The Great Blizzard." I know many of them were here for protracted periods and many others struggled to gain access for themselves and others to our building. Our essential work was accomplished in large measure due to their fine support. I am most appreciative.
